Section 16: Relations with Parents

In Section 16, respondents are asked about various aspects of their relationship with their parents (or the parental figures in the household). In the unlikely event that a respondent lives alone, or in an institution, the section is skipped. Topics include rules, activities, educational aspirations, and perceived closeness of the relationship.

Let's talk about your relationship with your parents.

In the next questions, *parents* means {NAME}.
